Dear Valued Jayco Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that a defect which relates to motor vehicle safety exists in certain Model 2016 Eagle Fifth Wheels manufactured April 20 through April 21, 2015.

The affected vehicles may have defective studs on the drums supplied by and installed on the LCI Axle assemblies. If the stud fails, the wheel could detach from the vehicle, increasing the risk of a crash.

The remedy is to inspect the LCI axle assembly with the manufacture date to confirm if the existing drum is affected by the recall. Drums confirmed to be affected by this recall will be replaced at no charge to the owner. The recall remedy will take approximately one half hour (.5) per hub. All pertinent documents pertaining to this recall are on file under the Service and Parts tab of Jayco Partners.

Our records show the following Jayco units are affected by this recall and are currently part of the inventory at your dealership and require the Recall repair prior to being sold:

Dealer Campaign Responsibility

Federal law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration information to Jayco.

If you have any questions, please contact Jayco Customer Service 800-283-8267 for further instructions.

We apologize for any inconvenience this may cause. However, we have taken this action in the interest of our customer's safety and their continued satisfaction with the Jayco fifth wheel.

Sincerely,
Jayco
